PROFILE

I am E Teja, a hardworking college student currently pursuing a Bachelor of Technology in Computer Science. As a fresher, I am seeking an opportunity to apply my skills, dedication, and enthusiasm in a professional environment where I can contribute to a dynamic team. I have experience with HTML, CSS, JavaScript, Photoshop, and PHP, as well as backend technologies like SQL and MongoDB. I have worked on projects like setting up an Apache server using XAMPP and exploring an infrared image analysis project for blood group detection in my final year project. I have also created a personal portfolio to demonstrate my work and skills. I am passionate about learning and eager to improve my abilities, while also being adaptable and ready to take on new challenges. In my free time, I enjoy playing games and exploring new skills, which helps me grow both professionally and personally.

EDUCATION HISTORY

Intermediate, MPC, 2020 – 2021
